4 LEARNING MENUS:

- Writing and Phonics
- Math
- Reading
- Hands-On Learning Menu that incorporates science, social studies, art/music/PE/character education

 March Reading Menu		
<ul style="list-style-type: none">Choose a reading box to complete. When required, draw or write your response on a piece of paper or in a notebook.Cross out the reading box you completed.		
Read to Myself	Read with Someone	Read and Respond
Set some stuffed animals or dolls in a circle around you. Pretend that you are the teacher, and do read-alouds for your furry friends today! Don't forget to ask them questions!	When we compare two books, we identify what is the same about them. Read two fiction books with an adult. Compare the books together. How are they similar?	Readers make mental images, or pictures, in their heads while they read. This is called visualizing . Draw some mental images you made in your head while reading.
Create a cozy reading corner today. Get blankets, furry friends, a flashlight or lamp, and your pillow. Cuddle up and enjoy time to read to yourself today!	Read two books with an adult. Compare the books together. How are they similar? Think about how the settings, characters, and events might be similar to one another.	Readers do something after they read. Choose a book to read. After you read, draw a picture of your favorite part. Label the parts of your picture while reading.
A digraph is two letters that come together to make one new sound. /wh/, /ch/, /sh/, /th/, and /ck/ are common digraphs. Make a list of words you find in your books today that have digraphs in them.	When we contrast two books, we identify what is different about them. Read two books with an adult. Contrast the books together. How are they different?	Choose a nonfiction and a fiction book to read today. Draw a picture of the main idea for each book. What was each book mostly about? Challenge: Label your main idea pictures!
Choose a book with two or more characters in it. Come up with voices for the different characters. Practice reading the book aloud using your character voices.	Let's compare AND contrast! Read two books with an adult. Make a list of how the books are similar AND how they are different.	Read a fiction book today. After you read, draw the following: the setting, character(s), beginning, middle, and end. Share your retelling pictures with your adult.

 March Hands-On Menu		
<ul style="list-style-type: none">Choose a learning box to complete. If required, jot each answer down on a piece of a paper or in a notebook.Cross out the learning box you completed.		
Science	Social Studies	Art, Music, Movement, Character
Motion occurs when an object or person moves from one place to another. Go on a hunt around your home. What objects around your house can move? Make a list. Force is the push or pull on an object. Force makes an object move or change direction. Go on a hunt for things that can move when you use the force of a push . (Example: a baby stroller) Pull is a force that moves an object. Pulling an object often moves it closer to you. Go on a hunt for things that can move when you use the force of a pull. (Example: a drawer) Some objects can roll when they move, such as soap cans. Some objects slide, such as books. Go on a hunt. Find three objects that can roll and three objects that can slide.	A producer is someone who makes or grows a good (example: a farmer). A producer can also provide a service. With an adult's help, make a list of five producers. A consumer is someone who buys a good or service. An example of a consumer is someone who gets a haircut. With an adult's help, make a list of five other examples of consumers. An urban area is a city. It is crowded with a lot of buildings and people. Buildings are often tall and close together. With an adult's help, draw a picture of an urban area. A suburban area is near a city. It is often called a suburb. There are less people than there are in a city. The buildings are smaller, and it is less crowded. With an adult's help, draw a picture of a suburban area.	Being responsible means doing the things you are supposed to do. Make a list of five ways you are responsible at home and five ways you are responsible at school. Pretend that you really want to stay up late and watch a movie but that you have a soccer game in the morning. How would you be responsible in this situation? Write about what you would do. Practice these skills: walking, running, galloping, skipping, hopping, leaping, and sliding. (Be careful of your surroundings!) What is your favorite type of music? Why? How does it make you feel when you listen to it? Write about your favorite type of music, and explain why you like it.

ABOUT MISS DECARBO

Christina DeCarbo-Wagers is an elementary teacher from Northeast Ohio. She holds a Bachelor's degree in Early Childhood Education, a Master's degree in Elementary Literacy, and a specialized K-12 reading endorsement. Christina has experience in instructional consulting, literacy coaching, and professional development services. Over the course of her career, she has presented literacy workshops and professional development sessions for Staff Development of Educators, ASCD, and state and local educational conferences. Christina has also provided extensive services and trainings for school districts and educational service centers across the state of Ohio.

Christina is passionate about helping students reach their greatest potential as readers and writers. Her engaging resources are based on developmentally-appropriate research and are founded in the importance of critical thinking, creativity, and problem-solving skills for young learners. Her educational company, Miss DeCarbo, Inc., was founded in 2012 and provides educators with curriculum, ideas, research-based advice, and inspiration. You can learn more about Miss DeCarbo by visiting her website, www.missdecarbo.com.
